Welcome to Zion Temple Christian Academy:

We bring you greetings in the Name of Jesus. We are so glad that you chose Zion Temple Christian Academy for your child's education. The school began with a vision from the late Bishop Jasper J. Phillips, Founder. We feel Zion Temple Christian Academy is a place where God's love dwells. The word of God says, "**Train up a child in the way he should go: and when he is old, he will not depart from it.**" (Proverbs 22:6). Children must be faithfully trained, line upon line, precept upon precept, day after day after day.

Come to our school for a look at what we have to offer. Acquaint yourself with the ABEKA Program, meet our staff and delve into the rich history of Zion Temple Christian Academy. We want to help your children grow and become good, smart, decent men and women in our community and a good citizen of the Kingdom of God.

With God's guidance and a daily Christian atmosphere, we will teach students to live by:

Galatians 5:22-23 – "But the fruit of the spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance: against such there is no law." Our mission is that the students feel secure in knowing we are consistent, and they can count on us. We praise and encourage our students to achieve so they will enjoy learning and in turn are "prepared unto every good work."

This handbook contains information regarding the school program. It is very important that you read and return the forms included in this handbook. Keep this handbook readily available as long as your child is enrolled in the program. It will answer many of the questions you have about Zion Temple Christian Academy.

We pray you have an enjoyable year and believe that if students, parents and staff work together, this will be a very successful year for your child(ren). Please let us know if you have any questions that may not have been addressed in the handbook.

We look forward to hearing from you. Our administration is ready and willing to answer any questions you may have.

God bless you and your family.

History

Zion Temple Christian Academy was founded by the late Dr. Jasper J. Phillips and his wife Dr. Beulah K. Phillips on Tuesday September 6, 1983. Sister Geneva McGee was the first Director. The school was founded on the vision of training up a child in the way he should go; and when he is old, he will not depart from it. (Proverbs 22:6)

Zion Temple Christian Academy originally opened with 6 students. The school staff with teachers and other willing workers are truly dedicated to the Lord and His work and are faithful in their service to the school. We offer an excellent academic education from a Christian perspective with graded curriculum from K4 (preschool) through grade six. All were volunteers.

We deeply appreciate the support of the parents, friends and community who have prayed, supported, and given of themselves unconditionally for the work of this ministry. Truly, we are grateful for God's abundant blessings, and we can look back and say, "Look at what God has done," toward the children of men.

Suffragan Bishop Charles L. Smith, Principal

Rodney D. Napier, Assistant Principal

Mary Jackson, Director/Teacher

Mission Statement

The mission for Zion Temple Christian Academy is to "Train up a child in the way he should go: and when he is old, he will not depart from it." (Proverbs 22:6)

Statement of Faith

Our Faith, Discipline, Rules of Order and Doctrine is in the WORD of God as taught and revealed by the Holy Ghost. (John 14:26; I Corinthians 2:9-13). "All scripture is given by inspiration of God, and is profitable for Doctrine, for reproof, for correction, for instruction in righteousness; that the man of God may be perfect thoroughly furnished unto all good works." (II Timothy 3:16-17).

The statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of the Zion Temple Christian Academy's faith, doctrine, practice, policy and discipline, our Pastor/Executive Board/Board of Directors are Zion Temple Christian Academy's final interpretative authority on the Bible's meaning and application.

Core Values

- We believe in an educational program that is based on the truths of God's word and the preeminence of Jesus Christ. Bible lessons are incorporated in our curriculum as we believe in God's supremacy and the Bible is the absolute truth of the revelation of God's nature and will for mankind.
- We believe in teaching our students that the Lord Jesus Christ is the redeeming Son of God who came to earth and died for our sins.
- We believe in providing a safe and respectful learning environment where students are actively engaged and challenged in their learning. We challenge students to develop a biblical worldview; seeking God's will, a view of the world based on God's revealed truth and the Bible which directs our life in the world and that our students "be not conformed to the pattern of this world".
- We believe that all scripture is given by inspiration of God and encourage our students to use the Bible as a tool to implement spiritual development into their everyday lives.
- We believe in providing spiritual training from a holiness viewpoint that fosters the development of Christian character in our students.
- We believe in teaching students to show honor and respect to those whom God has appointed to leadership.
- We believe in encouraging students to follow Christ's example of leadership through servanthood and glorify God through service in their school, Church and community.

Vision/Philosophy of Christian Education

Zion Temple Christian Academy began with a vision borne out of prayer and the Word of God. The founder, Bishop Jasper J. Phillips' vision was that students would come to know the Lord Jesus Christ and through a daily Christian atmosphere of love and respect, have a quality academic education and in turn be "prepared unto every good work" (**II Timothy 2:21**). Our goal is that each student will have the things that make life successful (love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance) as well as a quality education and the confidence that "I can do all things through Christ which strengtheneth me." (**Philippians 4:13**).

Zion Temple Christian Academy uses the Abeka Curriculum, a Christian-based curriculum which provides a well-rounded education. Zion Temple Christian Academy is not a school merely for the sake of academics, but character training is one of the goals of Christian education. Students must be faithfully trained, line upon line, precept upon precept, day after day after day. To train means to exercise, to discipline, to teach, and form by practice. When students are trained, it becomes part of their character to do what they have been taught. It is built into their spirit, and they have to go against their own spirit to do the wrong thing. Training builds habits that are right, and training must take place all through the day, not merely in a "character lesson" taught once a day or once a week. It is not enough to simply talk about doing right. Students are taught to have self-esteem, pride, respect authority, pay attention, obey willingly and immediately, apply themselves to the task at hand, learn rules and apply them, do their best, learn to work hard, develop habits of orderliness, carefulness, obedience, honesty, accomplishment, cooperation, perseverance, self-control, attentiveness, fairness, confidence, responsibility, effort, steadfastness, discipline,

endurance, helpfulness neatness, patience, and respect. These goals will enable students to develop spiritually, intellectually, physically and socially.

Educational Objectives

- To provide a Christian-based curriculum is provided for a well-rounded education.
- To provide a computer literacy program for all students K4 – Grade 6.

Student Performance

Communication is the key to running a successful school and ensuring students perform at their highest level. Some of the most common types of communication are:

- **Conferences:** The first parent/teacher conference will be held in the Fall Quarter. Sometimes parents and teachers feel that conferences cannot wait until the end of a grading period. Conferences may be arranged by calling the office (513) 861-5551, and setting a time most agreeable to both the parent and the teacher. A conference may also be arranged by sending a note to the teacher requesting the conference. Such conferences are encouraged.
- **Report cards** may be obtained on line at the end of each quarter for all students of K4 thru grade 6.
- **Progress reports** will be available on line each mid-quarter for all students of grades 1 thru 6.
- **E-Mail/Newsletters, Text Messages, Voice Mail, and Website:** These types of communications are used most often to inform and remind parents and students of upcoming educational, social, and fund-raising events.
- **Notes/Phone Calls:** While face-to-face meetings are usually best, personal notes or brief phone calls are often effectively used by teachers to keep parents informed of the progress of the student.
- **Entrance Tests:** An entrance test is administered to all new enrollees (Grade 1 – Grade 6) to the school.
- **Standardized Tests:** The Stanford Achievement Test is highly recognized and used across the country. This is not a pre-entrance test. It is given at least once a year during the Spring Quarter to K5 thru grade 6 students. The Otis-Lennon School Ability Test is also given to Grade 1 – Grade 6 students to test a more comprehensive view of the student's ability.
- **SCPP Test (Walnut Hills test)** is administered through the Cincinnati Public Schools, www.cps-k12.org.

Homework

We believe that homework plays an important role in the total school program. As the amount and kinds of homework increases, the amount of responsibility connected with homework increases.

The student who successfully learns how to organize his/her work, budget his/her time and develop a feeling of responsibility toward his/her assignments will be the student who can best cope with what is expected in high school and beyond (higher education).

Students, teachers, and parents must bare the responsibility of homework. The teacher must give assignments that are definite and clear as well as practice in basic skill areas. The parent must show an interest, provide encouragement, and a satisfactory study plan and area for study.

Student responsibility begins the moment the teacher makes the assignment. It is the student's responsibility to accurately copy the homework and plan time to complete it. The work must be done to the best of the student's ability. He must seek help when necessary and bring the completed assignments to school on time.

Parents and teachers can help students learn self-discipline through self-direction and independent study which will help in pursuing your special interest and your own development.

Make-Up Work

Students with excused absences may make up work (Applies to Pre3 & K4). Work may not be made up due to an unexcused absence or suspension.

Student Attendance

Being present and on time are important factors in our school system. Students should be present and on time daily to avoid a drop-in grade. If a student is absent, please send a note to the teacher upon the student's return to school.

Tardiness and Early Dismissal

School starts at 8:30 a.m. and students who arrive after 8:45 a.m. are considered tardy and must report to the office before going to class. He/She will not be permitted to class without a tardy slip from the office. Students with four days of tardiness per quarter may not return to school without a parent.

Arrival from 10:45 a.m. to 12 noon is considered 1/2 day. Any early dismissal prior to this time is considered a full-day absence.

Parents are asked to attempt to schedule outside appointments for after school hours (Includes Pre3 & K4 students). If a student must leave school during the day, a note of explanation should be brought to class (Includes Pre3 & K4 students). Parents must sign students out in the office (Includes Pre3 & K4 students).

Early Release from School

Early dismissal (dental, medical, etc.) requires a note or phone call from home. You are to be picked up and signed out in the school office.

Students will be released only to authorized adults. Parents must call the school and inform the office if someone who is not on the pick-up list will be picking up students for the first time. For safety reasons, please let your first-time pick-up person know that identification is needed in order for the school to release the students. Any person on the pick-up list under the age of 18 must have written permission from the parent(s) to pick up students.

Custody Agreements

If there are custody issues involved with your child, you must provide Zion Temple Christian Academy with court papers indicating who has permission to pick-up the student. Zion Temple Christian Academy may not legally deny a parent access to their child without proper documentation. Zion Temple Christian Academy must follow the court order as written. Authorities will be notified, if necessary.

Absence Policy

Upon return to school the student must bring a note stating the reason for the absence. He/She will not be permitted to class without an absence slip from the office. Failure to bring in a written note will be considered an unexcused absence and the student will not be permitted to make up the work.

Excused absences of 1-3 days per quarter are allowable. Students with four or more days of absence are requested to bring a physician's certificate of illness.

Student Illness

If a child has a temperature before arriving at school, please allow your child to remain at home, even if medication is administered. This is a precautionary measure to avoid contagious diseases. If symptoms "or similar suspicion" of a communicable disease are observed, the staff reserves the right to send the child home. Contagious illnesses will require a physician's note upon returning to school. Students not following the guidelines will be considered truant

General Information

Parent Drop Off

When dropping off students, please be advised and inform all of your appointed and designated individuals to escort children to their respective classroom or appropriate school personnel for proper supervision. Sometimes children at this age (rarely, but has occurred) attempt to go back out and seek the parent, or designated appointee, before going to class or coming into the building.

The doors automatically lock at 8:45 a.m. From this time on all parents are to sign in at the office. Parents of kindergarten thru grade 6 students are to sign in at the office and pick up a tardy slip from the office for admission to class.

Parents of preschoolers must always sign in/out with the teacher or designated watch personnel. However, at 8:45 a.m., preschool parents are to sign in at the office and the classroom. They do not need a tardy slip for classroom admission.

Parking

Please park in the parking lanes provided during drop off and pick up times. Park away from the fire lane and children's play area and building.

Building Entrance

Please keep noise level low. Students should report directly to assigned classroom. For the safety of the children, a security system has been installed.

Emergencies

The school will immediately notify the parent/guardian of a child's condition when he/she has been observed with signs or symptoms of an illness. The parent/guardian is expected to make immediate arrangements for their child to be picked up from school.

If the student is severely ill or injured, the parent will be notified promptly. The parent must pick up the student promptly or if necessary, call 911 (by the school designee) for the student. If the student is transported for emergency treatment, the teacher or an adult staff member will remain with the student until the parent/guardian assumes responsibility for the student.

Emergency evacuations (any threat to the safety of children due to an environmental situation or threats of violence, natural disasters, loss of power, heat or water) will be assessed by the Principal or other approved school personnel. For disasters, such as fire or tornado, evacuation routes and safe locations will be used to insure the safety of the student.

Field Trips

Occasionally, students are taken on field trips of educational interest. However, students must have recommendation of teacher to go on a field trip. These trips are correlated with subject matter in the curriculum. Parents are asked to sign a permission form which will be sent home one week in advance of the trip. There will be a charge for most trips. Students will lose the privilege of field trips for unacceptable behavior and will not be permitted to come to school. No refunds will be granted.

School Supplies

Necessary supplies (pencils, paper, crayons, etc.) are required in order to function each day in the classroom. Please check your child's supplies on a regular basis and your child's teacher's website for any updates.

School Lunches

A drink is brought from home with the student's lunch. Nutritional items (sandwiches, vegetables, potato chips, pretzels, fruit) should be prepared for the students. Sugared items (fruit roll-ups, snack cakes, candy) are not recommended as they decrease the child's appetite. Microwavable items are not permitted.

Birthday Parties

Parents must notify the child's teacher or the office at least one week in advance of the party. Please be reminded that the teacher has the right to refuse any birthday party in his/her classroom due to a preplanned schedule.

Toys

Toys must not be brought to class unless permitted by the teacher. The school is not liable for any computer games, iPods, cell phones, video games, etc. The school is not responsible for any of the lost, damaged, or broken items listed above which may be on or off school property.
